## A Good CIGAR!

We mean we can sell you the above-named Cigars for 5 cents apiece.

FOR A BOX OF 50, \$2.25.

They are a good smoke—long filler, well-made, good stock—you can't find a Cigar for that money so good. We pay a big price for them (considering of course our selling figure) at a large manufactory. You needn't be ashamed to offer them to a friend who doesn't indulge in an imported Havana.

LIGHT, MEDIUM and DARK colors—a case of 5,000 just received—we alone sell them in New Haven. Give them a trial.

### OBITUARY.

Death of Joseph G. Shearlock, President and General Manager of the New Haven Steam Heating and Plumbing Company. Joseph G. Shearlock, president and general manager of the New Haven Steam Heating and Plumbing Company, whose critical illness was spoken of a few days ago, died at his cottage at Indian Neck yesterday. His health began to fail seriously early last winter, but with his customary great energy he continued to attend to his numerous business duties until February, when he was so much prostrated that he had to abandon business altogether. He then hoped to regain his wonted vigor after a season of rest and change of scene, but all efforts for his restoration were vain. Many friends will deeply regret to hear of his death. He had long been one of the city's active business men. The disease, which caused his death was pulmonary consumption.

Only a few days ago at his desire he was taken in a carriage from his new home on Lawrence street to his cottage at Indian Neck, where he hoped for temporary improvement from the sea air.

Mr. Shearlock had been connected with the New Haven Steam Heating and Plumbing company under its old name of the New Haven Steam Heating company for fourteen years and had been an officer in the company for about twelve years.

When the company had its financial trouble five years or more ago Mr. Shearlock was appointed as receiver for the company. During his administration as receiver the company made money and was able to start in business again.

Recently, owing to the continued absence of Mr. Shearlock from his position as president of the company it has gotten into further financial trouble and S. Fred Strong was appointed receiver about four weeks ago. It is believed that the financial troubles of the company preyed on Mr. Shearlock's mind and doubtless retarded any gain being made in his physical condition.

Mr. Shearlock leaves a widow and a daughter, to whom the blow will be most severe. He was a member of New Haven Commandery, K. T., Pyramid lodge, A. O. U. W., Rock Castle lodge, Knights of the Golden Eagle, Royal Arcanum and Odd Fellows. The remains were brought to his late home on Lawrence street yesterday and the funeral will be held from there. For many years Mr. Shearlock resided on Bishop street. The time has not yet been set but it is likely that the several societies to which Mr. Shearlock belonged will attend in a body.

The credit of the fact that Pyramid lodge, A. O. U. W., has a handsome building on State street is due in part to the efforts of Mr. Shearlock, who was tireless in his work to benefit the organization.

ELIZABETH WALCOTT KELLOGG. Mrs. Elizabeth Walcott Kellogg, wife of Bela H. Kellogg of No. 100 York square, this city, died at the residence of her daughter, Mrs. Dr. George D. Thayer, at Northampton, Mass., Sunday evening at 9 o'clock. Mrs. Kellogg had resided in this city for many years, and had a great many friends here, who will be pained to learn of her death. She was a woman of many estimable qualities. She was the daughter of the late Dr. George W. Walcott, Yale '24, of Windham. Four children survive her, one son, Clifford W. Kellogg of the Yale Medical school, and three daughters, Mrs. F. E. Santy of this city, Mrs. Dr. George D. Thayer of Northampton, and Miss Sophie H. Kellogg. She has also three sisters living, Mrs. N. S. Warner of Bridgeport, Mrs. A. J. Hinkley, and Mrs. C. A. Picard of New York.

The body will arrive this morning from Northampton and the burial will take place in Evergreen cemetery this afternoon at 2:30 o'clock. It is expected that Rev. Dr. Munger will officiate. The remains will arrive here on the train on the Northampton division reaching this city at 1:23 p. m.

### DEATH OF LITTLE PERRY QUINTON.

Mr. and Mrs. Thomas Quinton, formerly of this city, but now of New York, have been bereaved by the death of their only child, a boy, who died yesterday morning at the home of Mrs. Richard Raynor, mother of Mrs. Quinton, at 104 Sylvan avenue. Mrs. Quinton was on a visit to her mother and the blow comes with crushing sadness. The child was taken suddenly ill two days ago, and although all that the best medical skill and loving friends could do was done, death alone relieved the little sufferer, and the parents are left to mourn the loss of a promising child, which had been the light of the household. Mr. Quinton was formerly a compositor on the "Journal and Courier," and he has the sympathy of his old associates in his hour of sadness.

### DEATH OF FRANCIS LEWIS.

Francis Egberton Lewis was killed by a Boston train at Malden, Mass., last Wednesday and buried on Friday from his home on Glen avenue, that place. He was an Englishman by birth and came to New Haven eighteen years ago, in the employ of the L. Candee Rubber company as a bootmaker, and remained in their employ till 1883, when he left to accept a more lucrative position with the Boston Rubber Shoe company at Malden. He stayed there for about a year and left for some time only to come back to connect himself with the Edgeworth Rubber company four years ago.

His first wife and three children reside in this city. All of his old relatives are in England.

### ANNUAL PICNIC

Of the Howard Avenue Congregational Church—A Fine Time. The Sunday school of the Howard Avenue Congregational church held its annual picnic at Hanover Park, South Meriden, yesterday. The party, filling four cars, left New Haven on the 8 o'clock train for Wallingford, where they took the trolley road for five miles through a beautiful country to the park. The picnic was voted one of the best the church ever held. Among those who attended were: Rev. W. J. Mutch and wife, Mr. and Mrs. James Lee, and Mrs. Joseph Foote, Mr. and Mrs. Joel B. Foote, Mr. and

Mrs. Clifford Chalker, Mr. and Mrs. Edward Countryman, Mr. and Mrs. Charles Countryman, George H. Clark, Mrs. M. A. Hempstead, Mrs. George Twissell, Mrs. D. O. Twissell, Mrs. P. L. Benjamin, Charles Treat, Mr. and Mrs. H. K. Beach, Merritt Burwell, Mr. and Mrs. H. L. Buttricks, Mrs. E. O. Brown, Mrs. F. D. Wiley, Mrs. A. B. Treat, Mrs. Noyes Andrews, Alice Andrews, Mrs. George Whitney, Mrs. R. P. Cowles, Mrs. F. C. Cowles, Walter Cowles, Mr. and Mrs. John Adams, Mr. and Mrs. E. A. Farwell, Carrie Finch, Sara Lewis, Manie Barrett, Lulu Barnett, Bessie Clark, Clara Johnson, Hettie Leggett, Maude Leggett, Mary Townsend, Mabel Smith, Mrs. Hoadley B. Emerson, Mrs. F. L. Kaepfel, Viola Meyers, Mrs. Finch, Mrs. Shatter, Mrs. Gilbert, Anna Clark, Fred Greene, Dorsey Beebe, Mrs. Wilk's Leggett, Emma Kittell, Frances Kittell, Mrs. W. Parker, Mrs. John Soobie.

Yesterday's Meriden Republican says: There was a very large crowd of picnickers at Hanover Park to-day, nearly one thousand being there. Two Sunday schools, one from the Waterbury Second Congregational church and the other from the Howard Avenue church, New Haven, had engaged the park for that day. There were about 600 excursionists from Waterbury and about 200 from New Haven.

The children enjoyed the day very much and those who were in charge of the excursions were very much pleased with the management.

### Installation and Melons.

Crusaders castle, No. 3, Knights of the Golden Eagle, work the pilgrims degree on three candidates this evening. Officers elected for the ensuing term will be installed by District Grand Chief Frank B. Brockett, assisted by brothers from the grand castle of Connecticut. After installation a watermelon cut will be held in the ante-room, where Fourth of July eve can be well spent.

### Fire in Meriden.

Meriden, July 2.—The Davis steam laundry on South Colony street caught fire this morning from an overheated boiler and the contents of the laundry and interior of the building were consumed. The Kelsey Press company adjoining also caught fire, but the flames were checked in time to save the building. The total loss on both buildings and stock amount to \$5,000.

### Chinaman Was Mad.

Yap Sam, a Chinese laundryman on Congress avenue, was arrested yesterday and locked up, charged with breach of the peace. The Chinaman and Nathan Holcon, another tenant of the same building, engaged in a controversy over some trivial matter. The argument became heated and it is alleged that Yap Sam picked up a hatchet and attempted to assault Holcon with it. He was arrested by Officers F. D. Cook and Dippold and subsequently released under \$75 bonds.

### Body Found.

Ansonia, July 2.—The body of Thomas Lavelle, who has been missing from his home here, was found this afternoon in the Housatonic river near Shelton. Lavelle's death, it is thought, must have been accidental. The drowned man was last seen Saturday night about 10 o'clock, after leaving a saloon in Derby.

### If the Baby is Cutting Teeth.

Be assured that old and well-tried remedy, Mrs. Winslow's Soothing Syrup for children teething, soothes the child, softens the gums, reduces inflammation and the best remedy for diarrhea. 25 cents a bottle. It is found.

Any lady or gentleman wishing to buy a good watch at a very low price should attend the great closing out auction of watches, jewelry, etc., of Mr. Edward Engel on the opening night next Saturday night.

### Use in Time.

Catarrah starts in the nasal passages, affecting eyes, ears and throat, and is in fact, the great enemy of the mucous membrane. Neglected colds in the head almost invariably precede catarrah, causing an excessive flow of mucus, and if the mucous discharge becomes interrupted the disagreeable results of catarrah will follow, such as bad breath, severe pain across forehead and about the eyes, a roaring and buzzing sound in the ears and oftentimes a very offensive discharge. Eli's Cream Balm is the acknowledged cure for these troubles.
